REMARKS

A notice of abandonment was mailed on 20 April 2004 in the referenced application for alleged failure to respond to the Office Action mailed on 28 February 2003.

Contrary to the Examiner's assertion, Applicants responded to the Office Action of 28 February 2003 by facsimile on 28 May 2003. A copy of the response and an Official Facsimile Receipt are attached.

A copy of the response filed on 28 May 2003 was re-transmitted to the Examiner in response to an oral request by the Examiner on 5 May 2004. A copy of the response and proof of its delivery is attached. The Official Facsimile Receipt is attached.

Applicant's re-transmission of the response on 5 May 2004 including a copy of the Official Facsimile Receipt dated 28 May 2004 is believed to have been in substance a diligent petition for withdrawal of the abandonment, since it was submitted within 2 months from the Official abandonment notice. A terminal disclaimer is not required.

The abandonment of the application is improper and must be withdrawn. Kindly withdraw the abandonment of the referenced application and proceed with the examination thereof on the merits without further delay.
